### 5% RESTAURANT RECOVERY CHARGE

As we continue to chart a course forward from the devastating pandemic impact on the restaurant industry, this charge supports increased supply chain costs, pandemic-related expenses, and helps the restaurant continue to be a viable business and employer as we strive for a "new normal."

We are farmers. We are restaurateurs. Since 2008, we have been making everything we can from scratch, from our bread & butter to our booze, using ingredients from farmers we know.

The family farmers of the North Dakota Farmers Union, who collectively own this restaurant, are represented on every plate, as are the country's founding mothers and fathers—who were also farmers.

Welcome to our table. We hope you enjoy all that is Founding Farmers.
