**Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of food-borne illness, especially individuals with certain medical conditions. These items include our house-made dressings, spreads, sauces, or mayonnaise that contain raw or undercooked eggs.*

5% RESTAURANT RECOVERY CHARGE

While society is rebounding well, the pandemic has had devastating and long- lasting impact on the restaurant industry. This charge supports our recovery and ensures we can continue to operate as a viable business, employer, and neighbor. It covers pandemic-related losses and expenses, vaccine clinics and mental health benefits for our team and their families, and ongoing community efforts.
