

5% RESTAURANT RECOVERY CHARGE

While there are many ways society is rebuilding itself post-pandemic, there continues to be devastating and long-lasting impacts on the full-service restaurant industry. Our recovery charge was created so that we can continue to operate as a viable business, employer, and neighbor. The charge helps cover pandemic-related losses and debts; vaccines, boosters, and mental health services for our team members and their families; as well as our ongoing community efforts. We appreciate your continued support by dining in our restaurants.
